

WOW Factor

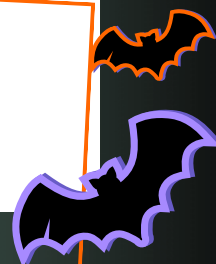

This October, ABS Kids embraced the spooky season with some spooktacular fun and learning!

Our centers also got into the Halloween spirit, hosting Trunk-or-Treat events and festive Halloween parties, bringing fun and smiles to our ABS Kids families.

We had a fantastic Trunk-or-Treat event at our Provo, UT center! 🎃 Families came out in costumes, enjoyed creatively decorated trunks, and collected lots of candy. It was a fun-filled afternoon that brought our community together to celebrate Halloween!

UPCOMING EVENTS

My kiddo saw another client standing up on the chairs and on the table so, instead telling him don't do that... because kids' brain does not process "no" word" I use... chairs are for sitting down and tables are for the food(it was in the lunch room), my kiddo understood and he is doing better with that... I love the way he improves.

Thought I would share this idea I had in case anyone would like to utilize it at their clinic!!

Meet our Transition Friend! If your kiddo is having a hard time transitioning or just wants to have some fun, they can choose which animal they'd like to transition like by tapping it. Whether it's for support or just for fun, this friendly tool is here to help make transitions smoother!

I want to...
Hop like a frog! 🐸
Crawl like a bear! 🐻
Run like a cheetah! 🐆
Slither like a snake! 🐍
Hop like a kangaroo! 🐨

Or if their imagination takes them elsewhere, feel free to do that thing! We can also add more as we go..like hmmm.. maybe to fly like an eagle! 🦅

Let's make transitions fun!!
